CHIEF SECRETARIAT

Singing of the National Anthem.

O. M. No. 4780-4849—C. B. 277-48-1, DATED BANGALORE, THE 25TH DECEMBER 1948.

OFFICIAL MEMORANDUM.

As no clear instructions exist at present in regard to the nging of the Indian National Anthem "ಜನಗಣ ಮನ" overnment direct that, on all occasions on which it is essary to use the Indian National Anthem, only the first nza of "ಜನಗಣ ಮನ" should be sung.

Government also suggest that it is desirable that the edings of public meetings should generally begin with inging of the Indian National Anthem and close with the ng of the Mysore Anthem "ಕಾಯಾ ಶ್ರೀ ಗೌರಿ" or "ವಂದೇ ರಂ" as may be desired or both, "ಕಾಯಾ ಶ್ರೀ ಗೌರಿ" coming er "ವಂದೇ ಮಾತರಂ".

K. SRINIVASAN, *Chief Secy.*

GENERAL SECRETARIAT

...ions the revised estimates amounting to Rs. 28,50,000 ...or the construction of the Regulated Market at Tiptur.

...D—

Correspondence ending with letter No. M.D.H. 2—46-47, dated 25—30th ...1947, from the Chief Marketing Officer in Mysore, Bangalore, forwar... for the sanction of Government revised plans and estimates relating to the proposed Regulated Market at Tiptur, received from the Executive ...gineer, Tumkur Division.

ORDER No. A.F. 3554-61—MART. 17-48-2, DATED BANGALORE, THE 16TH DECEMBER 1948.

...Representations have been made to Government from ...to time by the people of Tiptur Town as well as by the ...bers of the Representative Assembly and Legislative ...cil for the early establishment of a Regulated Market at ...ur for Copra and Cocoanut.

The Chief Marketing Officer who was asked to investi... the matter has selected a site in consultation with the ...nue, Railway and Public Works Departments and the ...g merchants for the establishment of the Market. The ...as been approved by Government.

As a preliminary measure, Government constituted a Provisional Regulated Market Committee consisting of both official and non-official members for taking all necessary steps in connection with the establishment of the Mar... A full time officer has been posted to work as Secretary of the Committee.

A meeting of the Provisional Regulated Market Committee was held at Tiptur on 11th March 1947 under the Presidentship of the then Minister for Agriculture and Public Works in order to settle all outstanding questions connected with the Market. It was pointed out at this meeting by the Chief Marketing Officer and the Executive Engineer that the plans and estimates for the Market buildings forwarded by the Government Architect were prepared in July 1945, that they needed revision in view of the fact that the cost of the building materials had since gone up considerably, that the scheme was now expected to cost 15 to 20 per cent more than the original estimated cost of Rs. 21 lakhs and that the water supply and sanitary arrangements in the Market would cost a further sum of one lakh of rupees. The Executive Engineer was then asked to prepare revised estimates for the Market buildings having regard to present cost.

The Executive Engineer has accordingly prepared and forwarded through the Chief Marketing Officer revised estimates for the construction of the Market amounting to Rs. 28½ lakhs as detailed below :—

Items of work		*Cost* Rs.
1. Construction of 'A' type buildings	...	4,45,200
2. Construction of 'B' type buildings	...	6,17,500
3. Construction of 'C' type buildings	...	5,01,200
4. Construction of 'D' type buildings	...	5,66,200
5. Construction of Cattle Sheds	...	54,080
Total	...	21,84,180
Less for 92 common walls	...	1,21,18...
Balance	...	20,63,00...

Items of work	*Cost* Rs.
6. Providing water closets at Rs. 4,000 each at corners with buildings	16,000
7. Government Grain Depot on plinth area at Rs. 9 per sq.ft.	50,000
8. Government Grain Depot Office Block ...	75,000
9. Clearing site	10,000
10. Planting avenue trees and their maintenance.	16,000
11. Making the Tar mecadam road for 3,000 yards in length	70,000
12. Providing water supply and drainage arrangements and electric lights	1,50,000
13. Unforeseen charges	1,10,000
14. Temporary establishment charges	20,000
15. Architect fee at 1½ per cent	30,000
16. Land compensation to be paid for 100 acres at R . 1,000 each	1,00,000
17. Establishment charges for a Range for 6 years.	1,40,000
Grand Total ...	28,50,000

The original design for the Market furnished by the Government Architect is not affected by the revised estimates which involve an excess of Rs. 7,50,000 over the previous estimates and this excess is mainly due to the current schedule of rates and the provision for water supply and drainage arrangements. The works, to be undertaken include the construction of different types of merchants' buildings, cattle shed, grain depots, water supply and drainage arrangements, etc.

It is proposed to obtain half the cost of the buildings for merchants from them in two instalments, the remaining amount being advanced by Government at 4 per cent interest and the loan being repaid in ten years. The income and expenditure on account of the Market are estimated at Rs. 16,355 and Rs. 8,040, respectively.

Government are pleased to accord sanction to the revised estimates amounting to Rs. 28,50,000 for the construction of the Regulated Market at Tiptur.

MOHAMED ISMAIL SHERIFF, *Genl. Secy.*

EDUCATION SECRETARIAT

Approves the Rules for Grant-in-aid to Private Hostels for University Students.

READ—

Government Order No. E. 2641-2—Edn. 16 38-4, dated 8th February 1939, sanctioning the proposal of the Director of Public Instruction, regarding certain amendment to the Departmental Grant-in-aid Code.

2. Government Order No. E. 1179-81—Uni. 17-39-6, dated 25th September 1939, sanctioning the recommendation of the University, regarding contribution of the University towards the grant-in-aid to private hostels wherein students belonging to the University Institutions and to the Department of Public Instruction are boarders.

3. Government Order No. E. 13-15—Uni. 17-39-22, dated 9th June 1940, sanctioning certain procedure in regard to the payment of grants to private hostels, where students of the University and the Department of Public Instruction are boarders.

4. Letter No. A. 6-855—44-45, dated 4th August 1947, from the Registrar, Mysore University, stating that in the absence of separate rules approved for the University, grants-in-aid to hostels under private management and intended for University students are at present regulated in accordance with the Grant-in-aid Code of the Department of Public Instruction and the procedure laid down in the Government Orders, read above, that consequently the grants admissible are so negligible considering the status of the hostels and the expenditure incurred therein, that many hostels are not induced to seek grant-in-aid and come under the supervision and the control of the University, that with the rapid increase in the number of students in the University, more hostels are required and sufficient encouragement should be given to private bodies to open hostels and the existing hostels have to be properly aided in order that they may be maintained efficiently, that consequently the University felt it necessary to have a set of rules for grants to hostels in keeping with the status of these hostels and commensurate with the expenditure incurred therein, that accordingly the University Council at its meeting held on 20th March 194., appointed a Committee to frame a set of rules for grant-in-aid to private hostels, that the recommendations of the Committee were placed before the University Council at its meeting held on 18th December 1946, then the matter was referred to a Select Committee for examination, that the proceedings of the Select Committee was considered again by the University Council at the meeting held on 12th July 1947 and that it was resolved that the draft rules as framed by this Committee be approved, omitting Dr. Kuppuswami Naidu's note at the end, and requesting sanction to the draft rules for grant-in-aid to private hostels as framed by the Committee and approved by the University Council.

ORDER NO. E. 5698-99—UNI. 37-47-2, DATED BANGALORE, THE 8TH DECEMBER 1948.

After examination of the rules for grant-in-aid to private hostels for University students recommended by the University, Government are pleased to approve them generally with the modification that towards the allowance for the Wardens of recognised hostels, the University shall contribute Rs. 20 (Rupees twenty) only per month for hostels in Bangalore and Mysore Cities and Rs. 15 (Rupees fifteen) only per mensem for hostels in other places.

A copy of the rules as approved is appended to this order.

A. C. NIRVANI GOWDA, *Edn. Secy.*

ANNEXURE.

Rules for the Determination of Grant-in-aid to Private Hostels.

I. *Conditions of Grant.*—Grants will be given subject to the following conditions :—

(*a*) The hostels shall be subject to the supervision of the University and all Regulations issued by the University for enforcing discipline among the students shall be complied with.

(*b*) The Management shall undertake to abide not only by the rules current at the time of recognition but also such rules as may be framed by the University Council subsequently from time to time.

(*c*) Application for aid shall be sent to the Registrar so as to reach him not later than the 1st January of the year from which the grant is sought for, furnishing full details regarding organisation and expenditure in the Annual Return form prescribed (Appendix I).

(*d*) A hostel which has a strength of less than 15 boarders and an average attendance, less than 13, will not as a rule, be entitled to any grant. This rule may, however, be waived by the University Council and a lower minimum fixed for the hostels intended for the educationally backward communities or those situated in localities considered to be backward in education.

(*e*) In hostels aided by the University, only students studying in institutions recognised by the University or the Education Department shall be admitted as boarders. Parents or Guardians visiting the boarders may be admitted as guests with the permission of the Warden, for a period not exceeding three days. Such guests shall be charged 50 per cent more than the student-boarders.

Teachers of the University may be admitted as boarders so long as there is accommodation for them, after all the student applicants have been admitted and those will be charged 25 per cent more than the student boarders. These teacher-boarders shall not be counted towards the strength of the hostel for purposes of grant.

(*f*) Each hostel shall have a reserve fund formed out of extra collections made from guests and teacher-boarders and fines recovered from boarders, invested separately and not being liable to be appropriated for the normal expenditure.

II. *Calculation of Grants Payable.*—(*a*) In case, students of institutions under the control of the Education Department are admitted into any such hostels, the grant payable by the University will take into account only such portion of the Warden's allowance and house rent as is incurred in respect of the University.

(*b*) No maintenance grant will be payable by the University, if the number of University boarders in such a hostel falls short of 15. The strength in July of a given year will be taken as the basis for determining the grants payable throughout the year to any hostel from the University. The bills of such hostels will be passed in full every month by the department concerned, amount due from the Education Department or *vice versa* being recouped monthly or in a lumpsum at the end of the year.

–(*a*) Every hostel shall have a Warden who shall be a member of the teaching staff of the University belonging to the same community as the boarders.

(*b*) The Warden shall be responsible for the maintenance of discipline among the boarders and supervise the expenditure of the hostel.

(*c*) A Warden shall ordinarily be appointed for a period not exceeding three years and proposals for his appointment shall be sent to the University for approval. Well in time before the opening of a fresh hostel, or three months before the commencement of the next academic year or the date of termination of the period of the existing Warden in the case of old hostels.

IV. *Rate of Grants.*—1. Subject to the following conditions, grants will be sanctioned for the purpose and at the rates mentioned below, due regard being had to the needs of the hostel and the funds available.

(*a*) *Supervision.*—Towards the allowance for the Wardens of recognised hostels, the University shall contribute Rs. 20 (Rupees twenty) per mensem for hostels in Bangalore and Mysore Cities and Rs. 15 (Rupees fifteen) per mensem for hostels in other places.

(*b*) *Rent for Buildings.*—One half of the reasonable rent in the case of hostels located in rented buildings not exceeding Rs. 2 per boarder per mensem.

(*c*) *Equipment.*—One-third of the cost of such articles of furniture and vessels, as are approved by the University.

(*d*) *Construction or Purchase of Buildings.*—Two-thirds of the estimated cost of the buildings, subject to the conditions laid down for building grants approved by Government in their Order No. E. 6433-34—Uni. 85-45-4, dated 1st March 1947 (Appendix II).

(*e*) *Repairs to Buildings.*—A grant of 50 per cent of the outlay not exceeding Rs. 100 may be sanctioned annually for repairs to hostel buildings.

Note.—In the case of a hostel located rent-free in a building constructed, enlarged or purchased without any aid from Government, the question of allowing a grant towards the rental value of the same shall be considered on its merits and a grant not exceeding one-half of the rental value of the building, as determined by the University in consultation with the Public Works Department, may be sanctioned.

2. Grants will be sanctioned or renewed generally for a period not exceeding three years but they are liable to be reduced or withdrawn at any time if the hostel is not working satisfactorily. Such grants shall not be restored until it has been established that the defects pointed out have been rectified.

3. Government will be the authority to sanction building grants and the University may sanction other grants subject to funds being available in the sanctioned budget of the University.

4. In the event of refusal of a grant by the University an appeal shall lie to Government.

V. The foregoing rules apply to hostels intended to accommodate students for University Institutions. In regard to hostels which are run mainly for other students and which incidentally take students of University Institutions the Rules in Chapter VII of the Mysore Educational Manual, Vol. VII as in force from time to time, will apply as such hostels are under the administrative control of the Department of Public Instruction.

APPENDIX I.

Application for Grant-in-aid for maintenance of Hostels.

1. (*a*) Name of the hostel.
   (*b*) Name of the institution, if any, to which the hostel is attached.
   (*c*) Agency managing the hostel and details regarding the constitution of the Managing Committee.

2. Present grant per month, if any, on account of—

		Rs.	Rs.

APPENDIX II.

Rules for building grants approved in G. O. No. E. 6433-34—Uni. 85-45-4, dated 1st March 19

BUILDING GRANTS.

1. An application for grant shall be made in the prescribed form (Appendix II). The plans and estimates of the bu shall be approved by the Public Works Department and by the University and duly certified by the designing agency app by Government.

2. The following are the purposes for which building grants may be sanctioned:—

(i) To acquire lands and to purchase, erect or enlarge colleges and hostel buildings for educational purposes.
(ii) To execute extensions, alterations and repairs to buildings.

3. The grant shall not ordinarily exceed one-half of the total expenditure in the case of colleges, and two-thirds of total expenditure in the case of hostels.

4. Before a grant is sanctioned, satisfactory assurance must be given by the Management that the funds at th disposal, together with the amounts of the grant applied for, will be sufficient for the construction of the building and that t building will be completed within the time prescribed by Government.

5. (i) No portion of the sanctioned grant will be paid until the Management has executed a bond in the form prescribe in Appendix III.

(ii) The order sanctioning the grant shall specify the date by which the building should be completed, the period in r case being allowed to exceed three years.

(iii) In case the building is not completed within the period specified above, Government may notify the Manageme to show cause for the delay in construction and on sufficient cause not being shown, may call upon the Management to refu within a reasonable time prescribed the portion of the grant as may have been drawn and if the Management fails to d summarily enter upon and take possession of the incomplete structure with the site on which it stands and all the buildin and materials lying thereon and take such steps and do such acts as Government may deem fit, for the recovery of the grant

6. Before recommending to Government the sanctioning of a building grant, the University shall examine the pla estimates and specifications in consultation with the Executive Engineer, if necessary.

7. When the grant applied for is to purchase a building, due regard shall be paid to the following points:—

(i) Whether the right, title and interest to the building is established and whether the property will be made c e college authorities.

(ii) Whether the building is suitable for the purpose of the college or hostel in regard to sanitation, lavatory fi ater supply, ventilation, lighting, adequacy of accommodation, size of rooms, furniture, play-grounds, etc.

8. Prior to the commencement of the construction of the building at least fifteen clear days' notice shall be given b lanagement to the Mysore University and to the Executive Engineer of the District in which the building is proposed t uilt. The Officers of the Public Works Department are required to inspect the work of construction.

9. During the progress of the work, every reasonable opportunity shall be afforded by the Management to the Offic f the Public Works Department to inspect and examine the materials used, to take measurement and to verify whether t ing is being constructed on the lines of the plan approved previously so as to enable them to issue the required certifica

10. Whenever it is considered necessary for the convenience of the Management and for the early completion of t ling that disbursement should be made in instalments as the work progresses, advances may be made from time to tir e University out of the sanctioned grant, if the University is satisfied that the work is progressing satisfactorily.

11. Such advances shall be sanctioned in bills supported by certificates from the Officers of the Public Works Departme cing that the work has been executed to their satisfaction in accordance with the vouchers for all expenditure incurred nection with the work and a statement to the effect that the amount of expenditure in the bill has been incurred.

12. On completion of the work the Management shall furnish a certificate signed by the Architect o the Engineer e of the work to the effect that the building has been completed generally in accordance with the plans nd specificatio on were submitted to Government on the basis of which the grant was sanctioned and also a certificate show that t full amount of the Government grant has been duly expended thereon specifying also the total amount ctually spent building.

. The total amount of the grant to be actually disbursed shall be regulated by the cost of the wrk when fina ted and certified by an Officer of the Public Works Department not lower in rank than that of an Executive Engine total amount of grant so disbursed shall not exceed one-half of the cost of building for college, and two-thirds in the ca buildings for hostels. If the expenditure actually incurred exceeds the original estimate, a supplementa grant may nctioned not exceeding one-half or two-thirds of the excess as the case may be.

14. Grant sanctioned for the purposes mentioned above shall be drawn on the usual grant-in-aid bill for (Appendix IV

15. In the case of buildings for which grants are sanctioned it shall be competent for the University to forbid the use h buildings or any portion thereon for such purposes as are considered by the University to be inconsistent with the obje the grant.

16. *Claims of Government.*—The Management of the college or hostel shall refund the grant or portion it as specifi w, if a building for the acquisition, construction, extension, alteration or repair of which a grant has been drawn, ceas hin a period of forty years from the date of the final payment of the grant to be used for educational purposes approved b rnment, the amount to be refunded shall be equal to the total Government grant multiplied by forty *minus* the number during which the building has been used for approved purposes and divided by forty. The Management shall refund t nt so fixed, before the expiry of six months from the date of demand. If the Management fails to make such refun rnment may enter upon and summarily take possession of the building till the amount is refunded. Th may contin possession and take such action to recover the amount as they may deem fit.

...ses orders in the matter of liberalising the rules of grant in aid to Aided Middle Schools, maintained by Private Managements.

...p—

...Government Order No. E. 1865-6—Edn. 143-44-9, dated 6th October ...5, passing orders in the matter of liberalising the rules of grant-in-aid ...Aided High Schools under private management.

...2. Correspondence ending with letter No. M5-6141-583—46-47, dated 4th ...tember 1948 from the Director of Public Instruction in the matter of ...alising the rules of grant-in-aid to Aided Middle Schools maintained ...rivate managements.

...3. Government Order No. E. 4259-60—Edn. 45-47-12½, dated 24th ...ember 1948 directing among other things in modification of the Govern... Order dated 6th October 1945 read above, that temporarily recognised ...schools also be given grants to the extent of three-fourths of the net ...prised expenditure as in the case of permanently recognised high ...ols with effect from the School year 1947-48.

ORDER No. E. 6227-28—EDN. 114-47-6, DATED BANGALORE, THE 20TH DECEMBER 1948.

...Under the existing rules, the maximum grant admissible to ...rate high schools recognised temporarily is fixed at half ...net expenditure (*viz.*, authorised expenditure minus income ...n tuition, admission and penal fees) the grant being sanc...ed only temporarily from year to year and paid before the ...of each financial year in a lump on the basis of the ...king of the school and the statement of the annual ...ounts for the academic year, which ends earlier than the ...ncial year.

...The Director of Public Instruction states that it is ...ad necessary to similarly modify the rules of grant-in-... to middle schools managed by private agencies for the ...sons mentioned below.

...He states that there are about ten un-aided but temporarily ...ognised middle schools, which are ineligible for any ...intenance grant, as there is no rule at present to admit ...em for grant, as is done in the case of temporarily recognised ...igh schools and that the managements of Middle schools ...re decidedly at a disadvantage, because fees are not levied ...n most Middle Schools as in high schools, though the private ...middle schools are practically discharging the duty of the ...tate as regards education and sharing the burden of the ...xpenditure of the State to some extent. The managements ...of temporarily recognised middle schools have been repeatedly ...pplying for grants, but they are being rejected as they are ...not covered by the existing rules, with the intimation that ...ommendations have to be renewed only after those schools ...permanently recognised.

...Is temporarily recognised middle schools cannot prosper ...hout financial aid from Government and as it will take a ...siderable time for them to fulfil all the conditions to earn ...manent recognition, the Director of Public Instruction is ...he opinion that it is desirable and necessary that the rule ...ting to the fixation of grants to temporarily recognised ...schools should be made applicable to temporarily recog...d middle schools in order to place the latter also on a par ...h the former. He adds that as the number of such ...porarily recognised middle schools is small, the total ...a cost to Government for sanctioning grants may be about ... 7,500 per annum and recommends sanction to the ...nsion of the benefit of the rule regarding maintenance ...nts to temporarily recognised high schools, to the tempo...ly recognised middle schools also.

In the circumstances explained above Government direct ...at the concession of the grant of three-fourth of the net ...thorised expenditure allowed to the temporarily recognised ...ivate high schools in the Government Order, dated 4th ...vember 1948, read above be made applicable to the tempo...ily recognised private middle schools also.

...The cost during the current year will be met out of the ...psum provision of Rs. 15,000 made in the current year's ...dget for sanctioning fresh maintenance grants and necessary ...vision will be made for the purpose in the budgets of the ...xt and subsequent years.

A. C. NIRVANI GOWDA, *Edn. Secy.*

Prescribes a Work Calendar for the construction of Primary School Buildings.

OFFICIAL MEMORANDUM.

O. M. No. E. 6258-79—EDN. 111-48-4, BANGALORE, DATED THE 21ST DECEMBER 1948.

Though one month has elapsed after the issue of Government Order No. E. 4396-416—Edn. 111-48-3, dated 10th November 1948 in the matter of the procedure for the speeding up of the construction of buildings for Primary Schools, it is observed that practically nothing has been done in this direction so far. Government feel that a work calendar should be adopted by the several concerned officers and that it should be adhered to if substantial progress in this direction has to be achieved before the end of this official year and are accordingly pleased to issue the following instructions in this behalf—

(1) The Chief Engineer for Roads and Buildings is requested to send a type plan and a standard estimate to Government as required in para 5 of the Government Order, dated 10th November 1948 before the end of December 1948 so that after approval by Government it may serve as the basis for preparing plans and estimates.

(2) The District Educational Officers will prepare according to urgency, lists of places where school buildings have to be constructed during this year and send them to the Amildars before the 25th December 1948.

(3) The Amildars will then get plans and estimates prepared for those buildings before the 15th January 1949 and apply for necessary funds to the Deputy Commissioners before the end of January 1949, indicating the donation which may be received, if any, from private people or communal labour which may be forthcoming for this purpose or any amount which the panchayets may be able to pay from their funds.

(4) The Deputy Commissioners will sanction the necessary grants and arrange to credit the same to the concerned Village Panchayets before the end of February 1949 after getting the estimates scrutinised by the respective Assistant Engineers in cases where such scrutiny is necessary.

(5) The Amildars will then call for tenders and dispose of the contract before the end of March 1949.

(6) The Director of Public Instruction is requested to allot immediately the sum of rupees ten lakhs to the several Deputy Commissioners as indicated in para 2 (iv) of the Government Order dated 10th November 1948. Some amount may be kept in reserve for meeting the demand of the Municipal areas and the demands from the District Boards.

(7) A special report about the progress achieved in this behalf may be obtained by the Director of Public Instruction from the Deputy Commissioners and Presidents of District Boards and Executive Engineers and Presidents of Municipal areas and sent to Government before the end of February 1949.

It will be seen from the work calendar mentioned above that unless the dates are adhered to, substantial progress in the construction of building may not be achieved. Government trust that the concerned officers will evince interest in the matter and strictly adhere to the dates indicated above.

FINANCIAL SECRETARIAT

Travelling Allowance in respect of journeys by Bus.

READ—

Letter No 563—T. A., dated 15th June 1948, from the Comptroller to Government, requesting in the circumstances explained, sanction for limiting the Travelling Allowance 2 (1) the Bus fare plus half the railway fare of the class admissible under the rules in the case of Government servants travelling on duty by means of Bus Service between places connected by
